IRDAI Regulation No 17: This Policy is subject to regulation 17 of IRDAI (Protection of Policyholder's Interests) Regulation 2017 or any amendment thereof from time to time.

Annexure 1.

General Regulations as per Indian Motor Tariff:

GR.1. Insurance not provided for:

Motor Insurance in India cannot be transacted outside the purview of the India Motor Tariff unless specifically authorized by the TAC. For risks which have not been provided for in the tariff, reference should be made to TAC for advice thereon.

Motor Insurance includes Private Cars, Motorized Two Wheelers and Commercial Vehicles excluding vehicles running on rails.

GR.2. Proposal Forms:

Proposal Form as specified in **Section 5 of the INDIA MOTOR TARIFF** is required to be submitted by the insured to the insurer before the commencement of cover and at renewal in case of material alteration. For change of IDV at each renewal, however, **a fresh proposal is not necessary**. Such changes may be advised by the insured to the insurer by a letter signed by the insured / insured's authorized signatory (for companies / body corporate) and sent to the insurer by recorded delivery. In case of change of insurer, a fresh proposal is required to be submitted to the new insurer. The insurers may include additional questions in the proposal form for their information and use.

GR.3. Policy Forms:

Policies insuring Motor Vehicles are to be issued only as per the Standard Form(s) given in **Section 6 of the INDIA MOTOR TARIFF**.

A. Types of Policies

There are two types of Policies:

- i) **Liability Only Policy:** This covers Third Party Liability for bodily injury and/ or death and Property Damage. Personal Accident Cover for Owner-Driver is also included.
- ii) **Package Policy:** This covers loss or damage to the vehicle insured in addition to (i) above.

Restricting the scope of cover under **Section-I (loss of or damage to the vehicle insured)** of the Package policy without any reduction in Tariff rates is permitted. Excepting this, no alteration or extension of any of the Covers, Terms, Conditions, Exclusions, etc. of any of the Policies/Endorsements laid down in this tariff is permitted without prior approval of the TAC.

B. Rating:

Rates provided under this Tariff are minimum rates. Loading on tariff premium rates by 100% may be applied for adverse claims experience of the vehicle insured and individual risk perception as per the insurer's assessment. If the experience continues to be adverse, a further loading of 100% on the expiring premium may be applied. No further loading shall apply.

GR.4. Extension of Geographical Area

The Geographical Area of Motor Policies may be extended to include

- a) Bangladesh
- b) Bhutan
- c) Nepal
- d) Pakistan
- e) Sri Lanka
- f) Maldives

by charging a flat additional premium, as stated below for a period not exceeding 12 months:

For Package Policy....	Rs.500/ per vehicle, irrespective of the class of vehicle.
For policies other than Package Policy	Rs.100/ per vehicle, irrespective of the class of vehicle.

For such extensions **Endorsement IMT 1 is to be used**.

Such geographical extensions, however, specifically exclude cover for damage to the vehicle/ injury to its occupants/ TP liability in respect of the vehicle during air passage/ sea voyage for the purpose of ferrying the vehicle to the extended Geographical Area.

GR.8. Insured's Declared Value (IDV)

The **Insured's Declared Value (IDV)** of the vehicle will be deemed to be the 'SUM INSURED' for the purpose of this tariff and it will be fixed at the commencement of each policy period for each insured vehicle.

The IDV of the vehicle is to be fixed on the basis of manufacturer's listed selling price of the brand and model as the vehicle proposed for insurance at the commencement of insurance /renewal and adjusted for depreciation (as per schedule specified below). The IDV of the side car(s) and / or accessories, if any, fitted to the vehicle but not included in the manufacturer's listed selling price of the vehicle is also likewise to be fixed. However, depreciation will not be applied to brand new vehicles covered under motor trade policies. (IMT/08/2002 dt. 16th December 2002).

The schedule of age-wise depreciation as shown below is applicable for the purpose of Total Loss/ Constructive Total Loss (**TL/ CTL**) claims only. A vehicle will be considered to be a **CTL**, where the aggregate cost of retrieval and / or repair of the vehicle subject to terms and conditions of the policy exceeds 75% of the IDV.

The depreciation for replacement of parts in partial loss claims will be as per a separate schedule specified under **GR.9**.

For the purpose of **TL/CTL** claim settlement, this IDV will not change during the currency of the policy period in question. - b) A policy may be cancelled at the option of the insured with seven days' notice of cancellation and the insurer will be entitled to retain premium on short period scale of rates for the period for which the cover has been in existence prior to the cancellation of the policy. The balance premium, if any, will be refundable to the insured. Refund of premium will be subject to:
 - i) there being no claim under the policy, and
 - ii) the retention of minimum premium as specified in the Tariff.
- c) A policy can be cancelled only after ensuring that the vehicle is insured elsewhere, at least for Liability Only cover and after surrender of the original Certificate of Insurance for cancellation.
- d) Insurer **should inform the Regional Transport Authority (RTA) concerned by recorded delivery about such cancellation of insurance.**

B. Double Insurance

When two policies are in existence on the same vehicle with identical cover, one of the policies may be cancelled. Where one of the policies commences at a date later than the other policy, the policy commencing later is to be cancelled by the insurer concerned.

If a vehicle is insured at any time with two different offices of the same insurer, 100% refund of premium of one policy may be allowed by canceling the later of the two policies. However, if the two policies are issued by two different insurers, the policy commencing later is to be cancelled by the insurer concerned and pro-rata refund of premium thereon is to be allowed.

If, however, due to requirements of Banks/Financial Institutions, intimated to the insurer in writing, the earlier dated policy is required to be cancelled, then refund of premium is to be allowed after retaining premium at short period scale for the period the policy was in force prior to cancellation.

In all such eventualities, the minimum premium as specified in the tariff is to be retained.

In either case, no refund of premium can be allowed for such cancellation if any claim has arisen on either of the policies during the period when both the policies were in operation, but prior to cancellation of one of the policies.

GR.27. No Claim Bonus

- a) No Claim Bonus(NCB) can be earned **only in the Own Damage section of Policies** covering all classes of vehicles **but not on Motor Trade Policies (Road Transit Risks / Road Risks / Internal Risks) and policies which cover only Fire and / or Theft Risks.** For policies covering Liability with Fire and/or Theft Risks, the NCB will be applicable only on the Fire and / or Theft components of the premium. An insured becomes entitled to NCB only at the renewal of a policy after the expiry of the full duration of 12 months.
- b) No Claim Bonus, wherever applicable, will be as per the following table.

ALL TYPES OF VEHICLES	% DISCOUNT ON OWN DAMAGE PREMIUM
No claim made or pending during the preceding full year of insurance	20%
No claim made or pending during the preceding 2 consecutive years of insurance	25%
No claim made or pending during the preceding 3 consecutive years of insurance	35%
No claim made or pending during the preceding 4 consecutive years of insurance	45%
No claim made or pending during the preceding 5 consecutive years of insurance	50%

Sunset Clause: If at the renewal falling due any time between 1st July 2002 and 30th June 2003, both days inclusive, (after completion of the full policy period of 12 months)

(IMT/08/2002 dt. 16th December 2002).

- i) An insured becomes entitled to NCB in terms of the tariff prevailing prior to 01st July, 2002 which is different from the slabs given above, the entitlement of such percentage of NCB will remain protected at the renewal. For subsequent renewals, NCB if any earned, will be in terms of the above table. In case claims arises under renewed policy, the NCB will become NIL at the following renewal.
- ii) An insured becomes entitled to an NCB of 55% or 65% in terms of the Tariff prevailing prior to 1st July 2002, the entitlement of such higher percentage of NCB will remain protected for all subsequent renewals till a claim arises under the policy, in which case the NCB will become 'Nil' at the following renewal. Thereafter, NCB if any earned, will be in terms of the above table.
- c) The percentage of applicable NCB is to be computed on the Own Damage premium required for renewal of the insurance after deducting any rebate in respect of "Vehicle Laid Up" under the policy. If the policy period has been extended in lieu of the rebate for the layup of the vehicle, as per 'Vehicle Laid Up' Regulation, such extended period shall be deemed to have been part of the preceding year of insurance.
- d) The entitlement of NCB shall follow the fortune of the original insured and not the vehicle or the policy. In the event of transfer of interest in the policy from one insured to another, the entitlement of NCB for the new insured will be as per the transferee's eligibility following the transfer of interest.

It is however, clarified that the entitlement of No Claim Bonus will be applicable for the substituted vehicle subject to the provision that the substituted vehicle on which the entitled NCB is to be applied is of the same class (as per this tariff) as the vehicle on which the NCB has been earned.

Provided that where the insured is an individual, and on his/ her death the custody and use of the vehicle pass to his/her spouse and/or children and/or parents, the NCB entitlement of the original insured will pass on to such person/s to whom the custody and use of the vehicle pass.

- e) The percentage of NCB earned on a vehicle owned by an institution during the period when it was allotted to and exclusively operated by an employee should be passed on to the employee if the ownership of the vehicle is transferred in the name of the employee. This will however require

COCODrive Goods Carrying Vehicle Package Policy - Navi General Insurance | UIN: IRDAN155RP0002V01202021

submission of a suitable letter from the employer confirming that prior to transfer of ownership of the vehicle to the employee, it was allotted to and exclusively operated by the employee during the period in which the NCB was earned.

- f) In the event of the insured, transferring his insurance from one insurer to another insurer, the transferee insurer may allow the same rate of NCB which the insured would have received from the previous insurer. Evidence of the insured's NCB entitlement either in the form of a renewal notice or a letter confirming the NCB entitlement from the previous insurer will be required for this purpose.

Where the insured is unable to produce such evidence of NCB entitlement from the previous insurer, the claimed NCB may be permitted after obtaining from the insured a declaration as per the following wording:

"I / We declare that the rate of NCB claimed by me/us is correct and that no claim as arisen in the expiring policy period (copy of the policy enclosed). I/We further undertake that if this declaration is found to be incorrect, all benefits under the policy in respect of Section I of the Policy will stand forfeited."

Notwithstanding the above declaration, the insurer allowing the NCB will be obliged to write to the policy issuing office of the previous insurer by recorded delivery calling for confirmation of the entitlement and rate of NCB for the particular insured and the previous insurer shall be obliged to provide the information sought within 30 days of receipt of the letter of enquiry failing which the matter will be treated as a breach of Tariff on the part of the previous insurer. Failure of the insurer granting the NCB to write to the previous insurer **within 21 days** after granting the cover will also constitute a breach of the Tariff.

- g) If an insured vehicle is sold and not replaced immediately, or laid up, and the policy is not renewed immediately after expiry, NCB, if any, may be granted on a subsequent insurance, provided such fresh insurance is effected within 3 (three) years from the expiry of the previous insurance. The rate of NCB applicable to the fresh policy shall be that earned at the expiry of the last 12 months period of insurance.
- h) On production of evidence of having earned NCB abroad, an insured may be granted NCB on a new policy taken out in India as per entitlement earned abroad, provided the policy is taken out in India within three years of expiry of the overseas insurance policy, subject to relevant provisions of NCB under these rules.
- i) Except as provided in Rule (g), no NCB can be allowed when a policy is not renewed within 90 days of its expiry. However, in the case of Military or Paramilitary Personnel working in Forward areas, the period of 90 days may be extended upto 365 days depending on the circumstances of each individual case with a declaration in writing by the policy holder that the vehicle was not put to use during the interim period.
- j) Except as provided in Rules (g), (h) and (i) above, NCB is to be allowed **only** when the vehicle has been insured continuously for a period of 12 months without any break.

GR.36. Personal Accident (PA) Cover under Motor Policy

(not applicable to vehicles covered under Section E, F and G of Tariff for Commercial Vehicles)

Compulsory Personal Accident Cover shall be applicable under both Liability Only and Package policies. The owner of insured vehicle holding an 'effective' driving license is termed as Owner-Driver for the purposes of this section.

Cover is provided to the Owner-Driver whilst driving the vehicle including mounting into/ dismounting from or traveling in the insured vehicle as a co-driver.

B. This provision deals with Personal Accident cover and only the registered owner in person is entitled to the compulsory cover where he/she holds an effective driving license. Hence compulsory PA cover cannot be granted where a vehicle is owned by a company, a partnership firm or a similar body corporate or where the owner-driver does not hold an effective driving license. In all such cases, where compulsory PA cover cannot be granted, the additional premium for the compulsory P.A. cover for the owner - driver should not be charged and the compulsory P. A. cover provision in the policy should also be deleted.

G.R. 36 A - Compulsory Personal Accident cover under India Motor Tariff.

Insurer's attention is drawn to G.R. 36-A of India Motor Tariff Wherein Compulsory PA cover is provided for only one of the vehicles of an Owner - driver even though he owns more than one vehicle.

As the above provision appears to be restrictive for owners having more than one vehicle, it has been decided to allow them to take Compulsory PA cover for owner-driver for all vehicles owned by them subject to the condition that Liability for the owner-driver will apply only in case of the particular vehicle being driven at the time of accident.

Accordingly, the last line of G.R.36 A appearing on page 20 of India Motor Tariff reading "**Where the owner driver owns more than one vehicle, compulsory PA cover can be granted for only one vehicle as opted by him/her**" stands deleted.
